Now you can communicate in Spanish without knowing a single word!

SPANISH WITHOUT WORDS

MINNEAPOLIS (November 1, 2013) – You don't need words to speak Spanish. All you really need is *Spanish Without Words* (Paperback, \$6.00; Meadowbrook Press), a unique "phrase book" of almost 100 photos of the most common Spanish expressions complete with authentic gestures and body language. It's the fastest and funniest way to learn Spanish ever published.

Now, even if you don't know a single word of Spanish, you can learn the most common greetings and expressions, dinner-table comments, hot vows of love, bargaining tricks, insults, threats and curses. This humorous book shows you how. There's no faster or funnier way to bridge the language gap in Spain or Latin America, at family events or with friends.

David Tarradas Agea was born in Barcelona and worked as a Spanish-language teacher and as a lexicographer. Through his many books, he has sought to share his enthusiasm for the Spanish language and culture, always trying to provide a fun learning dimension.
